

Ernie Navarre Jr.

February 23, 1955 - February 23, 2025

Ernie passed away on his 70th birthday, Sunday, February 23, 2025. He was a resident of Springfield, LA. Ernie was known throughout his community as “The Donut King.” Ernie started his business, Ernie’s Donut King, in Amite, LA in 1972. For 25 years he served the Amite community before opening The Riverstop in Springfield, LA. After 7 years, he moved next door and opened Navarre’s Pastries and Famous King Cakes. Ernie has become known all over the state for having some of the best king cakes in Louisiana. If you walked through the door of “The Donut Shop” no doubt you would see him there with a huge smile to greet you. Ernie loved visiting with everyone in the community, especially handing out donut holes to all the children who visited. He adored his family and was happiest spending time with those he loved. His happy place was the Mississippi Gulf Coast and would go to the beach as much as possible. Ernie left behind a legacy that will go unmatched. He was an incredible man that is already missed by so many.

He is survived by his loving wife, Michelle Pace Navarre; son, Jules Navarre; daughter, Crystal Runyon; stepson, Wyatt Lott; grandchildren, Chloe Moore, Nadia Runyon, Nathaniel Runyon, Adrian Hernandez; and a cousin who was like a brother, Lawrence Navarre Jr.

Ernie was preceded in death by his parents, Katherine and Ernest Navarre Sr.; and brother, Robert Kirkland.

Relatives and friends of the family are invited to attend the visitation at Brandon G. Thompson Funeral Home at 12012 Hwy 190 W Hammond, LA 70401 on Saturday, March 1, 2025 from 10:00 a.m. until the funeral service at 12:00 p.m.

Ernie always asked about our granddaughters every single time I went to the donut shop. He would often ask me to sit down and have a cup of coffee with him. He was a kind man who will be missed.

I met Ernie in '71 when he got his first job making donuts. He was 16 and I was 17. He worked next to the malt shop I worked at in Hammond. We became good friends. Matter of fact he told me several years later that he had a crush on me, but that I wasn't interested in him I was interested in someone else lol. He was a small little fella, but grew up to be tall and handsome. Ernie we spent many nights at that little donut shop while you were making donuts. Who knew that that little .90 cent an hour job would make you a wealthy and famous king cake entrepreneur! RIP Ernie, you will be sadly missed by all who grew to know and love you.💔

“ *Many sweet memories of Ernie's Donuts all those years ago in Amite only to move later in life to find Navarre's so near home. It was such a pleasure to take a Navarre's King Cake to Washington DC to share with some of Ernie's friends from Amite in Celebration of the Inauguration. Thank you Ernie for being a friend to the communities of both Amite and Springfield. We are all saddened by your passing. Michelle, Jules, family and staff our prayers are with you. It was wonderful to reconnect with Ernie here. I know Heaven must be full of King Cakes!*

“ *We all lose friends...we lose them in death, to distance, and over time. But even though they may be lost, hope is not. The key is to keep them in your heart, and when the time is right, you can pick up the friendship right where you left off. Even the lost find their way home, when you leave the light on” Dale & LJ Guilbeau*
