“ *I am writing this as the mother of Eval's only child, Sonny. As the path of life separated the three of us I still want all to know that Eval made choices that we may or may not agree with. Yet I believe he loved the only way he knew how to. I want my son, our son, to know that I see some of his father's traits in him. Some good traits. I want our son and the Hano Family to know that in my heart I believe your father, your brother, your uncle, was saved. And once saved always saved. I believe his soul was troubled, but he found peace. I pray that all of you find peace as well.*
