“ Please accept my condolences on the passing of your dear love one. Take comfort in knowing God is the Creator of life. The Bible calls Jehovah God “the source of life.” (Psalm 36:9; Acts 17:24, 25) The One who gave life to all living creatures is certainly capable of restoring life to someone who has died. You and your family are in my thoughts and prayers. My heartfelt sympathy goes out to you and your family. If you have any questions please contact me.
