“ I just noted that Uncle Lynwood passed away. I extend my deepest condolences to Errol, Sharon, Brenda, Lynwood Jr, and Lori. I live in Florida and have not been in touch for quite some time. I saw the notice online. Uncle Lynwood was always very kind and gentle, and so soft spoken. He reminded me of mama, his sister, Penny Roberts Adams. Whenever Mother needed something she called on Uncle Lynwood, and of course, he was always there. I remember how he loved his cattle and as a child I liked to step across the cattle guard. He would caution me to "be careful." I played with Sharon and Brenda as a child. Uncle Lynwood loved his family, and I will always remember how kind and caring that he was. Uncle Lynwood will truly be missed. Again, my deepest condolences to the family.

“ My uncle Raymond was always so kind to me and my family. My Mother always told me about all of her brothers and sisters and how they grew up in a loving home. He was always smiling and had a soft voice when he talked to me. I loved spending time with all my Louisiana family. I'm thinking of my cousins now and wishing them all an easy transition to this change in life. All my love to you Uncle Lynwood. Gail Watts Stevens
