“ Gage is my family, although we had not seen one another since we were younger I was happy that I was able to work with him at Stolthaven. My cousin Gage gave me words of encouragement when I needed them most and I'm really sad that I didn't get the opportunity to get know him more not just as my cousin but a friend. Gage made an impact on my life that I'll never forget, with that I knew that he was a good person... a good man. I'm sending my deepest condolences out to the Cosse and Grashoff Family.
