Everyone who met Gary instantly loved his upbeat attitude, his comedic moments, his crazy stories, and his genuine support and love for others. He was a loving father, grandfather, and friend who will be forever missed.

“ I called him G-Man... I worked for him from 89 to 91 on the bugs, but I always kept in touch. I'm glad I got to hang out with him a week before he passed, he helped me fall in love with VWs... Thanx buddy, you will be missed

“ I instantly became friends with Gary when I met him in 1968. We had lots of good and crazy times, building go carts and mini bikes. He was my go to man with any question about a VW. He will be missed, I pray that your fond memories comfort his friends and family.
RIP Gary
