“ Was shocked to hear this. Dr. Anzalone, as with many, was my dentist for years. I am in the military and he always took extra time to ask of my endeavors. My condolences and am going to miss our visits.

To the family, my prayers are with you. I know Dr. Gene is in Heaven with God because the Bible says in, John 11:25-26” Jesus said unto her, I am the resurrection, and the life; he that believes in me , though he were dead, yet shall he live: and whosoever liveth and believeth in me shall never die. Believest thou this .

“ I’m so sorry for the loss in your family. I remember Mr. Gene from way back when My best friend April and I were in college and she brought me to meet her two friends at his parents house. I also remember helping them pack to move. My dear friend April was vacuuming and suddenly something came out of the bottom of her pants. I don’t remember if it was a dryer sheet or her undies but I heard him laugh so hard. It was soo funny.
