“ Dearest Martha, We are so saddened by the loss of Allen. He will still be with all of you in his own way. I can't think of Allen without a big smile coming to my face. To be around you two together was pure joy. I so regret it has been so long since experiencing that joy. Sorry we could not be there in person to see and hug all of you.  
Much love, Kent and Catherine

“ Ms. Martha, Heather, Carrie, Kyle and Robin,

*I am so sorry for your loss. My heart aches for each of you. Allen was one of my customers but he was more of a friend than a customer. He talked about all of you over the last 10 years during my sales calls and there was never any doubt he loved all of you with that big heart. Allen was so proud of his children. He would gleam when he talked about each of you. I came to call Allen a friend and I will miss him especially his smile and laugh.*
