“ I am very sorry to hear the news of the passing of Mr. George. I was out of town when I heard the news and am very sorry I was not able to attend the services. I have known Mr. George most of my life. My dad is Gregory C Hoffman Sr. better known to most as (Slick). He and Mr. George had been friends since we lived in Kenner when I was a kid. My dad called him Sonny but I am not sure where that name came from. They had lost touch for a few years but were reunited when my parents moved to Independence. My dad passed away a few years ago and Mr. George was one of the first to call me. I would here from every time he would see someone at my Dads house when it was empty and he would come by every time we were there before we sold it. I would like to send our condolences to all his family from all of us in the Hoffman Family.
Sincerely,
Greg Hoffman

“ Dad, I'm going to really miss you. I am glad we had our day out, visiting the World War II Museum in December. I hated that you, as a retired firefighter, died in a house fire. You will be forever missed.
Love you, your son David.
