“ *I worked for Mr. Flynn at the printing shop at Billups Petroleum Headquarters several summers when I was attending college. I remember him as being quiet, and very patient. I learned a lot working with him and used much of that knowledge when I became an art teacher. Mr. Flynn was an artist as well as a master printer. I remember his family coming in to help with the annual report... all were great people. He taught me many skills I used often, in my teaching career as well as life. I remember him fondly and send my condolences to family and friends*

I have deeply appreciated Brother Gerald Flynn through the years. He was a perfect example of a true Christian. I will never forget his wonderful testimony of healing of melanoma cancer back around the year 2000. The Lord healed him and added 20 years, or more, to his life! Now he is at rest in the presence of the God he loved. Praise the Lord!
