To Aunt Gerry's children and grandchildren and (George and Susan) I'm so sorry for your loss . I know she loves you with all her heart and was very proud of her grandkids. Toni and George , Emily and Krystal I was there with you and I know you are hurting. Age appreciated everything you did for her and enjoyed every visit . I hope you all find peace. And Pete thank you for your help when she was in the hospital. I know it was hard for you but you helped a lot. And George when you finally got there I could finally breathe. It was deepest honor and privilege to have been a help to her . Thank you for letting me. 💔 anything you need- just call.

“ Gerry (Sis). I love you so very much. You and I always called one another to see what's going on or what's new and than you would ask how's my baby doing "Sunshine". Before we would hang up we would always say "love you Sis". I miss you so much it hurts. But what we had for each other will always be in my heart. You will never be forgotten.
