“ To the Grandmother I once knew, but never really got to know. I believe everything happens for a reason. Even though we don't always understand, I have some comfort knowing it was just not "Our Time"- The short time we did have will forever be cherished. I thank God for allowing me that time and pray that once again, one day, our paths will cross.
P.S. Please tell Grandpa Charles that I often think of him and wonder what he would have thought of me.
To You Both - RIP
Love Always,
