

Glenn Edward Camus

March 29, 1951 - March 5, 2024

A loving husband and father – he died from multiple myeloma spending his last days in the arms of his family. He loved riding his riding lawnmower and watching football on Sundays. He enjoyed having projects to do around the house to improve the look of the home. He also enjoyed watching his wild birds eat from the bird feeder just outside the living room window. He was always there to help out where he could. He enjoyed walking a mile in the park everyday and doing easy workouts at the gym. He would order a double fish burger hold the bacon because his cholesterol was high. He will be forever in our hearts.

Glenn retired from Doyle Land Services in New Orleans.

Glenn Edward Camus son of Maxie G. Camus (deceased) and Glynnwood G. Camus (deceased) husband to Gail (Simmons) Camus. Brother to Curtis C. Camus (wife Lucinda), Katheryn Camus (deceased), Karen Camus (deceased). Father to Lisa Camus Daigrepoint and Christopher J. Camus.

A cremation will be held at a later date.
