What a long lovely life she must have had. She got to see generations of her family. Cherish the fact that family and friends loved, learned, laughed and made precious memories. Hallelujah, praise God. May you each feel Gods love and presence .

“ I remember going to her 25th wedding anniversary with my grandmother, Beatrice Wascom and I remember her and her mother, Aunt Nora, and sister "Pete" attending The Lone Pine Church of God when I was a teenager. I used to stare at Tomi's eyelashes because they were so long and she was so pretty. Ms. Guy was always friendly and also pretty. Rest in peace, sweet lady.

“ I enjoyed knowing and visiting often with Sis. Guy. She was the sweetest person and never had anything negative to say about anyone. I was able to be with her for a few minutes on Thursday before she passed. I will miss her so much. My thoughts and prayers are with the family. May God bless and comfort you as only he can.

“ What a wonderful, beautiful woman she was. She loved her family so much, and she loved her Savior above all. We were so privileged to know her and be able to also call her "Aunt Guy".

“ *The last time I saw Aunt Guy was at Earline & Alan Bankston's home where we had a wonderful visit talking genealogy about our families. She was a fount of knowledge and filled in the gaps for me and my family. She will be sadly missed but will always be an uplift to my life.*
