“ I feel blessed to have taught Hannah in fifth grade. She always had a smile on her face that would light up the room. When I see twinkling stars in the sky at night, I will think of Hannah's beautiful smile and sweet personality and know she is smiling down on everyone here - especially her family. She was such a beautiful, sweet young lady and will be missed by all.

Love you Hannah,

“ I loved seeing Hannah at Winn Dixie. I went every other week. She always asked about my baby girls, Blakelyn and Brooke. Some of our FAMILY doesn't even ask about them. She was always sweet in high school and was the same after as well. I will miss her welcoming face and her sincere thoughts of my babies, as well as our love of rock music and our same middle names. God speed Hannah!
