

Harold Joseph Dominick

February 22, 1968 - March 9, 2023

Harold Joseph Dominick

Harold, age 55, passed away on Thursday, March 9, 2023. He was a native of New Orleans, and a longtime resident of Holden. Harold enjoyed watching football, especially his favorite team The Saints. Politics recently captured his interest, as he carefully followed the upcoming 2024 Presidential Election. Harold lived to work. He was a skilled tradesman who took exceptional pride everyday as he went about his occupational duties. For over 18 years, Marty Mapp with Associated Waterproofing helped to guide Harold in his work as lovingly as any father would guide a son. Harold's favorite response to work questions was, " You know what Marty Mapp would say!" Family was always near and dear to Harold; he spent many quality hours with his great-niece Emmie, and she often amazed him with her cartoon technology knowhow. He spent quality time with her and she loved her Uncle Harold.

Harold is survived by his son, Joshua Fiorello; sister, Cheryl Dwyer; nieces, Stephanie Crawford, and Sherilyn Hall; along with 2 great-nieces and 1 great-nephew.

Harold is preceded in death by his mother, Maryann Ackermann; and father, Harold D. Dominick, Jr.

“ I'm sitting today with a broken heart to say the least.

The thought of what would I do if ever I'd have to say goodbye to one of my children's fathers, never crossed my mind. Particularly our first born son's

"Harold J. Dominick" 🥹

We went our separate ways many years ago respecting our indifferences.

He was very special to me,
At one time he was my whole world.

Together we made memories that will last forever, we laughed most every day and shared some of the most wonderful moments that I'll never forget.

I feel so fortunate to have spent so many years of my life with Harold. We were young and stupid but we were brave. He gave me a lot of my firsts. From My first son, to my first heartache.

We enjoyed some absolutely fantastic times in our early days of dating and it brings a smile to my face.

His contagious smile and goofy sense of humor would light up any room he was in and make even the worst day seem a bit brighter.

I am beyond grateful he was by my side through my journey of life, I can still see the love in his eyes that melted my heart every time he looked at me.

Although he may be gone from this world his spirit lives on through the people he touched. We will keep the memories close to our hearts and it brings me comfort to know that so much of him is alive in our son, friends and family.

Our time here in this world is limited, so let's stop holding onto the things we can't change, let go of the past that hurts and try to keep moving forward, together.

If you've read my words and wonder if I know you, then chances are, we've walked the same soul journey, shared similar experiences and learned the same lessons.

*Harold certainly taught me alot.
We will miss him more than I could ever imagine. But I know he
wouldn't want any of us saddened. He would want us all to
celebrate the wonderful man he was and how much joy he brought
to our lives.
And that is the way we will remember him.*

“ *Mr. Harold was my client at H and R Block. He was very nice and
always pleasant to talk to every year. May God keep His hands on
you during this time!*
