“ *I will remember the times we spent together, laughing, goofing off, and cutting up. You truly was my best friend Pokey!! You might be gone BUT NEVER will you ever be forgotten!! I'm so lost for words with you being gone!! It's funny cause everybody thought I was your girlfriend and I guess I was. I'm a girl who was your friend. That's a girlfriend. Bahaha. I am so grateful that I had a friend as wonderful as you. I was so happy that you did spend the night with me the night before you left this earth and I drove you to work that morning. I continue to stare at the phone waiting for you to call and tell me you are ready and off work to come pick you up. It all just seems like a terrible terrible horrible nightmare that I'm trying to wake up from!!! I love you man and truly dearly miss your crazy ass!! Xoxo muah 🍷 RIP POKEY*

I knew Pokey back when we were maybe 10 years old and we were very good friends. It was me Pokey and Dwayne Hoyt. We were like the 3 musketeers. Sorry to hear you passed on.
