“ *Uncle Bart has always been a strong man, fun loving and full of life. He was always the life of the party and loved spending time at his camp having crawfish boils. He always had a crazy story to tell. He was a wonderful father who loved his children greatly and I know that they will forever have a powerful gaurdian angel looking over them. I love you Uncle Bart.*

“ I met Bart when I was 12 years old. We became instant friends. Later, I married his cousin Larry Breazeale and Bart and I became family. It was always a special time when we were able to visit with "Cousin Bart". Our lives went in different directions and we lost contact for awhile. Years later, we met again and we just picked up where we left off. About 2 years ago, we found each other on Facebook, and again it was like it always was, catching up, joking and remembering the old days. I am going to miss my cousin Bart.
