

Helen Molnar Kerek

November 27, 1921 - March 14, 2020

Helen passed away March 14, 2020. She was married to Alexander James Kerek who preceded her in death as did her son, James Alexander Kerek. They have a daughter Eileen Kerek Stambaugh (Larry) of Michigan. Helen has six adult grandchildren, 9 great grandchildren and many great great grandchildren. Helen lived in Michigan for 48 years, worked at Chrysler, and retired back to Louisiana in 1982. She is survived by one sister, Julia Molnar Threeton and many nieces and nephews. Helen was a member of the Young at Heart Club, the Hungarian Historical Society, American Legion Auxiliary and St. Margaret's Catholic Church. Helen was 98 years old and will be missed by everyone who knew her. She always had a smile and a kind word for someone.

Due to the ongoing situation, the family regrets not being able to invite friends and extended family to a public visitation and Funeral Mass as originally intended. It is stipulated that only immediate family members participate. Relatives and friends are invited to view the services on a live stream on our Brandon G. Thompson Funeral Home Facebook page on Monday, March 23, 2020 at 11:00 a.m.

In lieu of flowers, donations may be made in Helen's name to the Livingston Council on Aging, Springfield Meal Site, P.O. Box 545, Springfield, LA, 70462, phone 225 294 3812.

“ Eileen, I was so sadden to hear of Aunt Helens death. I'll always, as a young girl, remember her great Hungarian cooking. The last time that she was able to visit with mom was so appreciated. Sending prayers and love for you and you family.

“ Eileen & Larry...I was deeply saddened to read of "Miss" Helen's passing. How I admired her strong faith and tenacity to never give up. Getting to know this precious lady was one of the perks I received from working in the car business. We got to be great buddies and I found it rewarding to run out when she needed any help with her car. I enjoyed my short visits. God Comfort and keep you because we surely know where "Miss" Helen is.
