

Henry F. Moore Sr.

February 9, 1947 - October 8, 2018

Henry, age 71, peacefully passed away on Monday, October 8, 2018 surrounded by his loving family. He was a native and resident of Hammond, La. Henry could often be found at Waffle House making a joke and sipping a cup of coffee. His family was his absolute world and he would do anything for them, such as bringing them gas when they ran out, spending as much time as possible teaching them life lessons and showing them how to restore old trucks. Henry was an all around great person that would help anyone in need even if they didn't ask for help, he knew when to jump in and get his hands dirty. He lived and breathed for his kids and grandkids, even if that meant he had to do without. Henry is gone but his spirit is not, live through his teachings and he will live forever.

He leaves behind his loving wife of 38 years, Eileen B. Moore; children, Judy Giles, Nancy Moore, Theresa Johnson, Henry Moore Jr, Stephanie Latino, Joseph Williams Jr, and Benjamin Moore; as well as numerous grandchildren and great-grandchildren; and his sisters, Gracie Hohense and Lillian Hill. Preceding him in death are his parents, Benjamin Moore and Ollie Buzbee; and two sisters.

Relatives and friends are invited to attend the Celebration of Life Service on Friday, October 12, 2018, at The Potters House, 44549 Parsonage Rd. Hammond, La 70403, at 6:00 p.m. Bro. Charles Pierre will officiate the services.

“ I am sad to learn of Henry's death. Our little Mothers were sisters making Henry, his sisters Gracie and Vickie my first cousins. The last time that I saw Henry was at his Mother's funeral. He was always a loving son to my Aunt Ollie. When he was a little boy he attended the Mid-City Baptist Church with his Mother and sisters. My aunt was born at home and never received an official birth certificate which caused her problems when she applied for her retirement benefits. However, she had been baptized at Mid-City Baptist Church many years before. Aunt Ollie Mae called my little Mother and asked for help finding the church. I was able to get in touch with the pastor's daughter who searched for days through old boxes of records until she found the information. She mailed me a lovely Certificate which I gave to Aunt Ollie Mae. I write this memory for Henry's wife, Eileen, children and grandchildren as my hope is that Henry remembered the Bible Stories taught in Sunday school so long ago and the Savior who loved him. I have been ill for a few weeks and cannot drive to the service but will certainly be praying for the family.
