“ I signed this guest book when I went to Homer's funeral. I don't know what happened to it but I am signing again. Homer meant a lot to me! He was at my graduation and spent a lot of time with me and my mom. We dated for quite a while and danced a lot in New Orleans. I will miss him terribly!##imported-begin##Monroe and Katherine Blount##imported-end##

“ Brewer Family.....I want to extend my condolences to you on the loss of Homer. He was my long time friend and dancing partner in the 60's. We danced to many tunes at the Cave, Brown door and many other places around the Hammond area. He was a great dancer and a friend. May your "good time memories" help you in this time of sorrow.
