“ I miss you pawpaw! I still can't believe your gone. I still remember the day when I asked you to be my pawpaw. You were the only grandfather I ever had and it still hurts knowing that I can never hug you again or feel the scratchiness of your mustache as you kiss my forehead. It all still feels like a nightmare that I can't wake up from. I will always love and miss you. May you Rest In Peace and always be in our hearts. I love you pawpaw. With all my love, Shelby<3

“ You'll be missed Hutch. I'll never see a Dallas Cowboys football game without thinking of you. Thank you for giving my mom so many happy years together. I will certainly never forget taking you to see *Fantastic Four* and losing you because you went in the wrong theater. I thought mom would kill me if I couldn't find you. You brought years of laughter and joy. May you rest in peace. Love
Patty, Shelby and Neal
