“ I love you and will always miss you and the things in life that you have taught me. I will always remember our talks that we shared. You are a wonderful dad and with the things that I have learned I am able to teach my girls. You are sadly missed but never forgotten. I know one day we will meet again in heaven. “ Daddy,
You were a great and wonderful Christian Father. My love for singing for Christ came from you and mama. You were such an inspiration to me. Our lives will forever be changed with your leaving. You ran the race with your head high, and fought the fight with strong convictions, and kept the faith when you could have just given up. You have instilled in us to always put God first in our lives. And because of you, we have raised our children in church and both of them know the Lord. I know one day MiKayla will come to know him too. As you sit in Glory singing songs of praise, we will mourn for you. But not long. Because one day we will see you again in Paradise. So save my seat beside you. Until then, we will worship and praise God for all he's done and are going to continue to do.

I Love You With All My Heart,
Your Daughter,

“ Hey Paw Paw, I love you so much, and I miss you with all my heart. I always loved watching the Gaither's with you. That was our thing, and I'll miss doing that. I'll always remember the last time I listened to the Gaither's with you in the hospital. We listened to Joy Unspeakable. I know right now you are experiencing unspeakable joy, and hearing music that is so much better than anything we ever listened to together.

Paw paw just like Paul prayed about the Philippians, I pray about you.

"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership with the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus. -Phil. 1:3-6.

*I'll make you proud Paw paw. I hope to be half the person you were. I'll always remember my place on your couch with you in your chair. See you in Heaven Paw paw. I love you to pieces!!!!
