We so valued Huey in our meetings. He was a wonderful example and that empty chair will always cause a pain in our hearts. We are confident he laid down his shield in victory. He will always be missed. Eugene and Laura Lee Robertson

Darlene and family,

Mildred and I want to send our most sincere condolences you and all the family as you have to face the future without the physical presence of our beloved Huey. We send our deepest sympathy for your Loss.

My memory's of Huey and Darlene, start in Texas at Fort Sam. in 1972. I will never forget His wonderful smile. I was fortunate to go through basic training, Advanced individual training with him, and then we were stationed at the same barracks in Germany. Huey, Duane, Darlene, and I, spent most of our weekends together traveling to Heidelberg for meetings at the Greens home. We also traveled to Paris together where we had quite an unnerving adventure. Wonderful times spent together in Germany. The last time I got to be with Huey and Darlene was at a wonderful get together at Herb and Margo's home in Creswell Oregon in 2006.

I will never ever forget Huey Blades. I miss him and I hope I will see him again in eternity.

We send our love and prayers to you and your lovely family

Sincerely'

Elvin and Mildred Thompson

“ *What a precious life that has finished! We feel it is much too early, but it was so well lived. Just feel he was a dear friend to many, including myself. I have loved what we shared in your home, Darlene! Feel like we have been on the battlefield for Truth together, and the results was a lot of victory in the lives of many! Of course, the real credit for that goes to our dear Father above, but we are so very thankful for everyone who can be safely trusted in this life. I just long to be one of those. You and your family are very close to many hearts, and heaven seems closer to all of us because we have another friend there. Love y'all! Julie Harthorn*
