“ I Remer one summer I came over to spend some time with Rickey and aunt Idee and Estelle. Aunt Idee asked me and Rickey if we wanted some homemade icecream and we said yea, well aunt Idee said ok she went inside and came out with the old hand crank icecream maker. We didn't know we were going to have to work for it hahah we started turning and turning and aunt Idee said make sure yall keep putting the salt in the ice well to make a long story short aunt Idee came out about 45 min later and asked if it was ready yet and we said we think so. She opened up the maker and it was still liquid hahahzh see said did yall put all the salt in it? We said no. Boy she gave us a look and said I'll get this she pored the rest of the box in there and turned it for maybe 10 minuets and it was ready lol I think she really got a kick out of us cranking on it that long and finishing it. What a memory!!! I sure am gonna miss you aunt Idee! I love you. Love Tim and Chris Easley
