ME

“ I just found out today of Jack's passing. My parents grew up with Jack and Shirley. I grew up with the boys. It has been a long time. I still think of all the lovely memories I have with them, Especially getting to take care of Scott's car when he was coming home on Leave. It is with great sadness we lost touch with them so long ago. I pray the rest of the family are doing well. The Stenner Family will always be in my life, even when there is no communication. Thank you for the lovely and beautiful memories.
