“ Jackie was my bestfriend for over 20 Years. I hate the last two years of her life we were not speaking. I would give anything to take all that petty nonsense back. But no matter what I know she always loved me still as I know she knows I still loved her. I have more memories with her than anyone else did. Besides her children. No one will ever replace the friendship Jackie j and I had. I am sorry I didn't go to service. It was to hard for me. I still haven't come to terms with her being gone. I love u woman! RIP my friend

“ Jackie will be greatly missed. I think she would like the "After Glow" poem.

After Glow

*I'd like the memory of me to be a happy one.
I'd like to leave an after glow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve (especially momma) to dry
before the sun of happy memories that I leave when life is done.*
