“ Jackie was such a sweet & loving woman. It really hurts to know you are gone, but we know you are with our Loving Savior. You always had a smile, and a love for everyone. You will be missed, but one day, and it won't be long, we will all be joined together again. God BLESS your family, and give them courage & peace. Love ya'll.

*I'll miss you so very much and all our long conversations on the phone. Rest In Peace with our lord and savior and see you again someday forever in heaven. Thanks for all the great memories...one in particular is on Sunday mornings you made cinnamon rolls before church for breakfast as a little girl who thought that was the best breakfast ever. Thanks for always having a big heart and showing so much love to everyone.*
