“ Dear Mizell family, Please accept my deepest sympathy for the loss of your dear loved one. It seems no greater sadness is felt than when someone so dear to us is loss. May you find comfort in your memories and draw strength from a promise God has provided which gives the hope of someday being reunited with your beloved Jacqueline (John 5:28,29). This promised future is one that will be filled with great joy because it will include perfect health and everlasting life on a paradise earth where "the former things have passed away" (Rev. 21:4, Psalms 37:29). May you during this most difficult time find some comfort in knowing that God does care and He does hear our cries. Please accept my most sincere condolences.

“ Jackie was more like a sister to me than a best friend. I will always love her like a sister. She may be gone but never forgotten. She will live on in my heart for ever.
Sincerely, Jeannie P. Hemler
