“ I know it's been a year since Jake has passed on, although I have just now found out about this today 07/10/2014. I talked with Jake last about 11/2 years ago. Needless to say, I feel really bad and have very many great memories of Jake. I don't know if anyone will see this note, although I would hope someone could contact me. My deepest late sympathy to the entire family.

“ *THE MEASURE OF A MAN: Not - "how did he die" But - "how did he live" Not - "what did he gain" But - "what did he give" These are the units To measure the worth Of a man, as a man, Regardless of birth.*

We are truly saddened by Jake's death. Jake was more than just a friend to our family; he was a rough and gruff person but deep underneath there was a kind hearted gentle man.

He was always so willing to help anyone and considerate to our family that we always welcomed seeing him at every opportunity.

His passing will not only leave a void in our lives, but in the hearts of everyone who knew him. Jake's memory will always remain deep in our hearts.

*Our sincere thoughts and prayers are with your family.
With our deepest sympathy,*
