“ I was so blessed to know Mr. Jimmy when he was with HPD. He was a great friend and a very special man to his family. He had a good sense of humor & could always make you smile. He gave a big portion of his life in service for the people of Hammond and Tangipahoa Parish! He was a kind soul with a big heart! Mrs. Jana and family I would like to share this verse from the Bible. Jesus had just feed the multitude with 3 fish & 5 loaves of bread. Then as Jesus spoke his sermon, this is one of my favorite verses! Matthew 5:4 Jesus spoke “Blessed are those that mourn; for they shall be comforted.” Amen 🙏

“ Jana, Lainie, Vince and family,
Please except my deepest sympathy on your great loss. I know what it is to be a caregiver for those who are the closest to us with caring for my husband Joseph and my mother Helen. Even with the stress involved in their day to day care, I felt honored being there for them in their greatest time of need. And I’m sure you feel the same way. I especially thought of my husband during my recovery from hip replacement surgery last year knowing he would have been there for me in my time of need.
Please know you are in my prayers now and in the days to come and trust you will keep me in yours.

“ *I am a long-time friend of Darla and Ian. When my son was a toddler, Jimmy babysat for him and my daughter. At Christmastime, he helped my son kick his pacifier habit by tying a ribbon to it and telling him he could put it on the Christmas tree. We still do to this day, 20 years later. Rest in peace Jimmy. You were larger than life.*

“ *Just met Jimmy a few months back. As pastor of St. James Baptist Church in Holden Ia, it was honor to meet him and visit with him on several occasions. He always had a smile and a laugh. And it's an honor to have heard the testimony of Jimmy, that he knew God thru his relationship with the Lord Jesus Christ. That being said, what a hope we have of meeting again in a better land. Altho its sad to say goodbye, and so sorry for the loss this family must endure, it's awesome to know I have another friend in heaven tonight.*

I will always remember , Captain "Jimmy Dickerson" , as a well respected Police Officer and Brother Co-Worker! The memories that we shared, for many years, working with the Hammond Police Department, will never be forgotten. Jimmy was inspiring, in his dedication to his Community and to all that he worked with. Jimmy was as much a man , as any man could be. He always held his ground and treated everyone with respect. God bless him for being the person he was and God bless his family during their time of need. I Salute you my friend !!!!
