“ I was lucky enough to get to work with Mr Jimmy in his last year on earth. I learned so much from him that I will carry with me for years to come. He had an impeccable work ethic. I wish I had more agents like him. I can still hear him laugh. RIP Mr Jimmy- okay! Much love to your family, Karla Lowery Johnson

“ Betty, my deepest sympathy to you and your family at this sad time. Knowing y'all was good for me, especially when I moved to Covington as a very young manager. I was well supported by Jimmy and the rest of that agency. They made us feel welcomed and made it a special time in our life. Jim became my friend immediately. Give my regards to Paul and Wiline.

I had planed to go for the funeral on Monday, but I'm just not able to make the trip. I just had surgery for pacemaker replacement and I'm still weak. My spirit will be there. I know where he has gone. He is now pain free and enjoying his heavenly rewards. You are all in our prayers.

In sympathy,

“ *My dear friend Jimmy. We have had many good times for many years attending leaders conferences for our company with our spouses even though it was once a year. Patsy & I always looked forward to seeing you and Betty. Your walk through this life is now complete as you begin a new walk with our heavenly father. You have paved your way to heaven through your suffering as Christ did, and I would venture to say that as He took you up to meet HIM said, “James, job well done”. May you rest in peace.*
