“ Dear sweet grandpa,  
My heart aches knowing I will never see you  
on this earth again. My heart will be OK  
though knowing I WILL see you again in a  
place where there are no heartaches or pain  
of any kind. Please give grandma Sue and everyone a hug from me.  
I am blessed to have had 50 years with you. Not everyone can say  
that about a grandparent.  
Always remember I love you a bushel and a peck...a bushel and a  
peck and a hug around the neck. I will pass your songs, jokes and  
love down to Case Michael Hurley Hardiman. You might be gone  
but you will ALWAYS live on in our hearts. XOXOXOXOX  
Tammy Sue

“ I remember the back yard lard can dinners. All of the gang would  
gather at Uncle Jim and Aunt Sue's on any given Sunday, and  
everyone would bring something to put in the huge lard can to cook  
and eat. Aunt Sue was of course, the perfect hostess, with that  
beautiful smile, and Uncle Jim running around, making sure  
everyone had a good time. All us kids were shoed out to the back  
yard to play. Those were the good old days.  
Uncle Jim was always happy to have family over to visit. HE loved  
to make people smile. He was a good, kind and loving man. I will  
miss him.

*Always enjoyed spending time at my Uncle Jim and Aunt Sue's home. As my sister, Vicky Hurley Linn, said the lard can dinners were huge in the family department. Uncle Jim was a loving joker and always had a quick comeback for any comment. Loved his wit, his cooking and his love of his family. My love for him is great and he will be sorely missed.*
