“ *What a wonderful Uncle! He always made each and everyone of us feel so special! My heart hurts for you Aunt Frances, Artie and Gina. I know what a void this will leave in your lives. He is now without pain and rejoicing in heaven with my Mom, Uncle Lawrence, Aunt Joyce, Aunt Mavis and his other family members. His words to me the last time I saw him were so sweet and his hug was even sweeter!! My prayers are with you. Love you all!!*

*Love,

Mr. Jim McLain was a wonderful, loving and good hearted man who loved his family with all his heart. I was blessed to be his housekeeper for 14 years. I grew to love him and his family as my own. He always checked my vehicle to make sure all was in good order, filled my car with vegetables he grew. He was truly a good man. I thank God he put him in my life. I pray comfort and healing for his family and that his children and grandchildren will carry on the legacy of this wonderful man! I love you, Darlene

The descriptions are the kind genteel man I came to know as a loyal customer. I am so saddened and so sorry that I am reading this about the time his service would have been ending.

I would surely have been there to give each of you a hug!!!

Loved, loved his dry sense of humor and his transparent love of his family. Will miss my dealership visits with Mr. Jim. What a gentleman he was. He enjoyed telling me about visiting Paula Deen's restaurant several times and though he said it was pretty good that he would rather eat what "Miss" Frances cooked. "Miss" Frances I will never forget your stroll on the lot with him to see if we might have a "red car." Surprise surprise we did! God Bless you all. Thinking and praying for each of you. Artie I know they enjoyed their trips with you navigating! No question you will see him again. Watch for messages from Heaven. You surely will find them.
