“ I had the pleasure of meeting him at my mother’s celebration of live. At such a time his personality took everyone’s attention away from our hurting by his comments and humor. I know he will be missed by all his family and friends. He just made being around him such a pleasure and his stories and humor so interesting. May your reunions with all your loved ones that have gone before you and being in the Lords presence such an amazing experience

“ Uncle James, along with Aunt Adeline, was the first to introduce me to gardens, fish accordions & organs. Not sure why that sticks with me but I remember gathering with allllll my cousins and eating fried fish and later listening to the family play music with Uncle James either playing the accordion or organ. I remember picking things from their huge garden or snapping peas at the picnic table. Time spent with his family was the highlight of my life. Rest in Peace Uncle James. I send my sincerest condolences to all of ny dear cousins and family.

“ Evelyn, Tom, Brent, Shannen and to the whole family.

We are very sorry for your loss.

Mr. Randall was the sweetest man.

As you may remember we had the honor of meeting him (your Mom too) when we moved to Charlotte and several times over the years.

I always looked forward to seeing his welcoming sweet smile. He was such a wonderful man.

May God Bless you.

Sending to you all healing hugs and prayers.

Love,
