“ I'm going to miss you C.H. We've made wonderful memories and you have been one of those rare people in my life that have made a huge impact. I won't be able to ever make fudge again without thinking of you, and that's a good thing because I want to remember you, and how we cut up and acted like "big ole 3rd graders." You never spoke an unkind word about anyone and I've learned so much just because God let me have these last years with you.

I love you forever,
