Christine and Alton, I'm so sorry to hear that Durrell passed away. I know that is a great loss for your family Wesley and I loved him so much. He would come visit and he and Wesley would have a great time talking about old times and music. Which they both loved. A week before he passed, Durrell came by and brought me a picture of his dad from Fost funeral. He was a really sweet young man and I will miss him so much as will all his friends and family.

“ *We are so sorry to hear of Durrell's passing. Though we haven't seen him in years, memories warm our hearts and bring smiles to our faces. Durrell's sincere faith in God was evident throughout his life. His laughter was infectious...His wit and humor were like no other; oh the stories he could tell! He will surely be missed by all.*
