“ I am so sorry to hear about Janet's passing. Janet and I grew up about a half mile from each other in Chestnut Hill area of Crumpler, NC. We were the same age and in the same classroom all through elementary school. We both graduated from Ashe Central High School in 1968. I considered Janet a good friend and we often visited in each other's home. But most of all, we got together at another friend Jean Ann Sawyer's (Burkett now) house and played for hours. I tried to stay in contact with Janet but only talked to her once by phone in past few years. I try to ask Ray and Linda about her when I see them. I had always wished that we could reunite and spend some time talking about those childhood days. The last time I spoke to Janet, she still teased me about something I did during driver's ed. She and I and a couple of guys from another high school did our "driving" together and I remember Janet laughing and enjoying that time, always teasing the rest of us. I have wonderful memories of having fun with Janet Caldwell. Family, you all have my deepest sympathy. I pray that you have wonderful memories to cherish.

Sincerely,
