“ To say Janet was a very special lady is putting it mildly. She touched countless numbers with her kindness and her beautiful art. I've been proud to call her my friend. Thanks for sharing her with us.

“ I loved Janet and admired her so much! I wish I could have seen her since it has been a while. She lived a very long and full life and left a legacy, an amazing body of work, such an amazing artist! She will be dearly missed by all of us in the art community. I am so happy to own one of her paintings! One of my favorites! Janet was a treasure. I am so sorry she is no longer here on earth.
