“ *I am so saddened to read this. Janice was one of my best friends all through school. I spent many a night over at her house and she stayed at mine a lot too. She was a beautiful person inside and out. Recently she saw my sister Sandra at the nursing home. They talked about us and Janice told Sandra to bring me with her on the next visit, that she would love to see me. I wish now that we had made that visit it was planned but we had not gone up there yet. I remember all the family so well, Buddy, Jimmy, Nell, Judy, and of course her beautiful daughter Holly. May she Rest In Peace, and my heart and prayers go out to all of you in the family. God Bless you All! ❤️*
