“ I met Janice almost 60 years ago when we realized that we both were going to TH Harris Jr High School plus we were in the same youth group and choir at Parkway Presbyterian Church. We met up with Sherrie and Kathy in the same way and we all became lifelong friends.

*I lived the furthest from school so I'd walk to Fairfax Ave and meet up with Janice and then when we got to Lafrenire St, , Sherrie would join us. We had great times together every morning and afternoon and they laughed at most of my lame jokes. When we began to go to Riverdale High School, we were forced to transition to taking the bus for the 30-40 minute ride to school.*

*My bus stop was first so I'd grab the same seat every morning and hold it for Janice and Sherrie to join when we got to their stops. Every once in a while I'd manage to miss the bus which was pretty brutal. Besides having to bear my mother's wrath for the entire ride to school, both Janice and Sherrie would each give me one of their "You had ONE job" looks when I finally caught up with them.*

*I spent a lot countless hours after school at Janice's house and we had tons of sleepovers. Janice's parents, brother Rik, and sisters Lisa and Lori were all extremely gracious about this and made me feel like I was one of them.*

*All of us went our own ways after high school but we never lost touch. I'll miss Janice terribly but all those times we had together years ago are priceless and my memories never fail to make me smile.*
