“ Offer my condolence to the family, death our enemy claimed another life. We know from reading the bible that God yearns to bring our loved ones back to the earth as Job 14:13-15 says. Jesuse gave us a preview of this by bringing Lazerus back as John11:25,26 says. May this comfort your family through this difficult time.

“ Thank you Ms. Jackie for being so kind to me and my family. My fondest memory of you was when I had to be hospitalized due to a terrible accident you took time out of your day to sit with me in the hospital so that I wouldn't be alone. I will never forget that. Thank you. My many condolences and prayers to you and your family
