“ *The last time I saw Uncle Jack, I asked him what I'd always asked him when I was a child...Will you throw your voice for me Uncle Jack? Of course he did and I'm not sure who enjoyed it more, me or him. I cannot think of Uncle Jack without a smile on my face because he always had a smile on his face, and a gleam in his eye, as if he were up to something funny. He was someone who could always make his sister, (my mother), Chris laugh to her core. He was gentle and kind. A true man of god. My mother always told me that Jesus had a sense of humor...that being true I'm certain that Jesus is getting a kick out of Uncle Jack everyday! My brother Russ & I miss his beautiful smile and kind soul. He was truly a special person.*

“ *Uncle Jack was an incredible person. My mother and father, Jim and Chris Fuller, simply adored him! He always knew how to make you laugh and see the good things in life. Even though I did not get to see Uncle Jack these many years gone by, I have always thought of him and missed him from afar. I have bragged about my Uncle Jack many times to my children over and over again. God will have a good and Holy man to share in His kingdom. What a wonderful man...what a wonderful man!##imported-begin##Gina Fuller##imported-end##*
