“ *God bless you Jaxson, your grandmother loved you with all of her heart. May you soar with the eagles and angels. Our hearts go out to all of the family who are shocked and mourning. I knew and loved Judy, my cousin and friend. God be with you all*

“ *Jax, daddy's little man.. I can swear I hear your dune buggy making laps around the house. I see you in the middle of the floor playing with all your cars & tractors. I soon as I wake up all I can hear is you asking for a fudge round. Your blue eyes haunt my dreams & wake me with both tears & a smile on my face. Chico is waiting for you to chase him around the house. Not sure how long it's gonna be before I catch up with you, but when you feel a tug on your toes just know it's me. I miss little man, big hugs, little hugs & a tickle at the end. I love you Jax. Nothing will ever be the same without you & Gucci...*

“ I am so sorry for your loss. I can not imagine how you are feeling right now with having to lose multiple family members at one time. Jehovah God knows your pain and will do something about it real soon. All who come to know him will realize nothing is impossible for him to do. He will remember them and bring them back to life. These words of encouragement are to give you hope for the future and a measure of peace now.
