“ To Jean's Family - Jean and I were like sisters all our lives. We spoke over the phone weekly, even up to this past week. Our conversations lasted from 1 to 3 hrs. We spoke of family, friends, life, death, genealogy, religion and everyday situations. I will sorely miss Jeannish. I have remembered her in my daily prayers ever since the onset of her cancer problem. She was very religious and was certainly not afraid of dying. You can bet she is happy now with her sister Emily, my Aunt Bertha and her granddaughter Nicole. God rest your soul Jean, you have been through a lot this past year. But, even through all our problems, we could always find something to laugh about. I'll miss you and will continually pray for you and your loved ones to be able to cope with your passing. I will miss your memorial service, but will never forget you. God Bless You.
