“ *You were a feisty woman and I liked that about you, when you said something you meant it. And you loved your family, and they loved you, just the little bit of time we had together you did teach me alot. Like what hard work was and you definitely worked hard that is for sure. I remember you laughing when my ferret came running down the hallway when i was trying to catch her. Lord knows you put up with all of my animals I had,I almost had a farm. So thank you for putting up with me, and I will miss you and I love you. RIP Mrs. Jean you were a good person.*
