“ Monique, I'm so sorry for the loss of your Grandmother. You and your family are in my thoughts and prayers during this difficult time. But, remember she is with Jesus because He was her Savior and now she is completely healed and fulfilled!

“ Maw Maw, you will be missed! In life, you were the glue that held your family together and you have left a wonderful legacy of Love, generosity, faithfulness, and beauty for your family and for us all who knew you. You were blessed and you were a blessing to so many. I celebrate and am comforted in knowing that you are home with our Lord Jesus Christ. I pray for your family that God will rain down blessings of peace in remembrance of your life and call upon an army of God's angels to surround them all in a comforting embrace. Please remember that God is good and he is with you all- Always! Try not to focus only on the heartbreak of her passing but celebrate when you think of all of the loved ones who are waiting with outstretched arms to meet her. She may be gone from you but praise God, She IS in Paradise. I love you all so much. You are always in my heart and in my prayers.##imported-begin##April Michelle##imported-end##
