“ *I will deeply miss Jennifer, she would call frequently and would always ask how my dog ,peanut, was doing with out fail. She was very giving and a very sweet person. My daughter, Tiffany , will defiantly miss Jennifer, they worked together , rode the van to work and will especially miss her calling at least 3 time a day. I remember when Jennifer & Jessica lived together & Tiffany would go & spend the weekend with them. My heart aches it is so broken for her lose and for her family. I know you all were very close, she would tell me when she was going home & every time a baby was born. Tiffany & I have known Jennifer for many years and can't express to the family how truly , truly sorry we are. My prayers are & have been for the family, there hasn't a day gone by that I haven't thought about Jennifer & the family and will continue to. 😞*
