“ Kay was my boss/supervisor for 25+ years; but, beyond that, Kay was my friend for much longer. We shared good times and bad times both at work and in our personal lives. Kay loved her family and her work at Sims Library with her "extended family" there. My prayers go out to all of Kay's family. I will miss you greatly friend, but know that you are at peace now both mentally and physically.

“ Kay was always highly respected as a girl, a teen and throughout her adult life for her kindness and gentle friendliness to all. How proud I was to find her so well thought of at SLU library during my years there.

Kay has been my life long friend and a kindred spirit! We've shared many joys and sorrows . One of the greatest joys has been reconnecting with her in our older years . Our friendship was special and I'm so grateful that we were able to spend those special visits together. My deepest sympathy to Bob and to her children and grandchildren. I know she loved all of you very much. My prayers are with you.
