“ I went to NAS Memphis A school with Jerry in 1968. We were in the same barracks and in the same isle. We goofed around alot and had many laughs. We both had slot cars that we built and raced them together. We would turn on ALL the gang showers GULL HOT and make a steam room out of the shower area. I remember he was always pulling on his hair and a lot would come out and I told him stop doing that. He was a gentle giant. I am sorry to see he passed away. He DOES live on in MY memory. God Bless, ren
